#### Eligibility Requirements to Apply to the WMTP:

To be eligible for the Wild Mind Training Program, you must already be a professional human development guide (PHDG) or an advanced student or trainee in a human development graduate school or training program. PHDGs work in fields such as psychotherapy, psychiatry, clinical psychology, professional counseling, ministry, life coaching, ecotherapy, rites of passage, education, and certain realms of mentoring and outdoor education. In most cases, we would expect you to be professionally licensed, certified, or eligible for certification if your discipline and state require it.

**Please note:** If you are accepted into the WMTP, there is a **\$350** one-time non-refundable administrative fee which you will be invoiced for upon acceptance. This fee goes towards managing and administering the WMTP throughout your time in the program. It does not cover all our costs, but helps offset them a tiny bit!
